The Fund Office would like to wish everyone a Healthy and Happy New Year. For those participants who were eligible for and enrolled in their Health & Welfare benefits for 2022, the Fund Office will begin reporting your weekly employee contribution to Kroger so your payroll deductions will start the week of January 10, 2022 . Your first 2022 deduction will also include a week of arrears as there was not a deduction taken from your check this week. If you have any questions or concerns regarding the amount of your deduction, please contact the Fund Office at one of the numbers listed above. You may also send an email to insurancedepartment@ufcwemprfund.org. We will be happy to review your enrollment information and your Biometric Screening information as it is our goal to assure that all of your deductions are correct and that your Health & Welfare needs are met.

Sincerely,
The Fund Office
