Open Enrollment Info

2024 Open Enrollment begins **November 8, 2023** and ends on **December 15, 2023**. During this period, you will be able to enroll for your 2024 Health and Welfare Fund benefits. All eligible participants, whether actively working or not, must enroll to receive coverage for the next year. If you choose to waive coverage or do not complete your enrollment for benefits in 2024 during Open Enrollment, you will not be able to enroll mid-year unless you experience a Qualifying Life Event (QLE). Please refer to the “How to Make Changes” section of this notice on more information about QLE’s.

Plan Documents and Information

Your Summaries of Benefits and Coverage (SBC) are available online by going to atlanta.ufcwemprfund.org. Benefit highlights will also be available as part of the online enrollment process. If you need further information about the Fund, have trouble logging in, or to request a copy of the Summary Plan Description (SPD), please contact the Fund Office.

Dependent Enrollment

Below is a summary of your eligibility for dependent coverage. There is certain information below that need to be provided if you wish to enroll your dependents in coverage. Please have it available to provide when you enroll. If you have questions about the list outlined below, please contact the Fund Office or visit the website at atlanta.ufcwemprfund.org.

- If you are eligible for dependent coverage, the Fund generally provides coverage for your dependent child(ren) to age 26. The Fund provides coverage for your natural/adopted child(ren), a child placed with you for adoption, your stepchild(ren), your foster child(ren) or a child whose custody has been awarded to you by a court of competent jurisdiction. **Your dependent child will not be enrolled in coverage until you provide a birth certificate, proof of adoption, or other documents indicating that the child is your dependent.**
- If you are eligible for Plan 1 or Plan 2, you can enroll your spouse in dental and vision coverage only. The Plan does not provide medical or prescription drug coverage for your spouse unless you qualify as a “Dual” covered individual. A “Dual” covered individual is someone whose spouse is also enrolled in medical coverage through the Fund as a result of that spouse’s employment with HAC. If you are a “Dual” covered individual, special enrollment options are available that will allow you to be enrolled as both an employee and a spouse and your coverage may coordinate up to 100%. To be considered as “Dual” covered individuals, you and your spouse must both enroll separately as an employee. Once separately enrolled, an employee that is eligible for full-time coverage (Plan 1 or Plan 2 coverage) can then enroll their spouse as a dependent, but if an employee is only eligible for part-time coverage (Plan 3 coverage), he or she cannot enroll their spouse in secondary coverage.

Your spouse will not be enrolled in coverage until you provide proof of marriage to establish eligibility.

- You will need names, social security numbers and dates of birth for your eligible spouse and child(ren). A social security number (SSN) OR Individual Taxpayer Identification Number (ITIN) is **required** for all enrolled dependents. If you have applied for a Social Security number for a dependent, but have not yet received it, please use 100-10-1000, and notify the Fund Office immediately once a Social Security number is obtained.
- You will need to know whether you or any of the dependents you wish to enroll have any other medical or dental coverage in place, including coverage offered through another employer, individual coverage or coverage through Medicare or Medicaid. If you or any enrolled dependent(s) have additional coverage, you will be asked to complete and return a form after enrollment to provide details on that coverage so that we can make sure that any benefits are correctly coordinated with the other coverage.
