## Come on board and complete your biometric screening!

### Why is a biometric screening important?

Knowing your numbers—through the results of your biometric screening—helps you understand where you can take action to improve your health.

If you have any questions regarding the process, please contact the Fund Office at **770-997-9910** or toll-free at **1-800-241-3473**.

### What can you expect?

Our biometric health screenings are quick and easy! Your non-fasting screening includes:

- blood pressure
- cholesterol
- blood glucose
- BMI (body mass index)

If you are a Kaiser Permanente member be sure to bring your ID card or digital membership card.

Non-members are welcome to use the Mobile Health Vehicle, please be sure to bring your screening form.
